

DR. SANITY

you tell me how i'm supposed to dress  
you tell me where i'm supposed to go  
you tell me how i'm supposed to act

and if i don't

and if i don't  
i'm sick or crazy or need pills

oh sure  
you know all about me & my life  
because you went to school for ten extra years

and got a fancy piece of paper  
that gives you the right

what do you know?

you're just some guy's head preserved in a water cooler
